“ Memory of a Special Brother

Today is full of memories of a Brother laid to rest and every single one of them is filled with happiness. For you were someone special always such a joy to know and there was so much pain when it was time to let you go. That's why this special message is sent to heaven above for the angels to take care of you and give you all my love.

I love and miss so very much.

Your Lovely Sister,

“ Dennis was so adorable when he was a baby and as he grew up he was just precious. In his teens he was Mr. Cool as he called his self. He had little girl friends and he said he was a cool dude. He was so funny. We were so close. All through life when Dennis would introduce me to someone, people would say you guys look just a like. Dennis would always take up for his sister. Growing up I was very shy and very quiet, but not my brother. He was very outgoing and had a great personality. Just an all around good guy. As we got older things kind of turned around. Dennis became the quiet one, very laid back and I became very outgoing and energetic. Strange right. We thought so too. I remember when I talked with him last and it was around 10 pm on the 5th of June and we talked for over an hour. Everytime we spoke it was always for a length of time. Dennis will be so missed by everyone. There want me a day I want think about my brother. I miss you Dennis so very much. I wish sure he would of called me when he got sick. Have fun playing in heaven. I know you are up there jamming right now.

Love you,  
Your Sister Scarlet
